

Paypal are currently running a prize draw for all customers paying with Paypal. They'll be drawing five winners every day between 25 October and 20 December 2011.

PayPal is the safer, simpler, smarter way to pay online. All you need is an email address to make secure online payments using your debit card, credit card, bank account or PayPal balance. You can shop knowing that PayPal doesn't share your financial details with sellers and that your money and information stay safer with PayPal's industry leading fraud protection tools. It's also a convenient way to pay - no more waiting for cheques to clear or hassles with postal orders. Sign up for a PayPal account and you could start to shop at hundreds of UK websites within minutes.

How to sign up

Over 20 million UK PayPal account holders can't be wrong. [Sign up](#) for a PayPal account in minutes by visiting www.paypal.co.uk

Once you've opened a PayPal account you can start to shop at hundreds of UK websites.
